Washington, 21 D. Sept. 1846

My dear Sir:

On my return from Ohio today I receive your favor of the 19th inst. & hasten to write by this days mail to say that I hope you will not think of taking Anna up to Connecticut. I wrote to you that I would be be in New York the month to take her with me and pay you all expenses on her account. I wish to place her in Pa with an old friend and I now advise that I will be in N. York Lord willing, in all this week.

Excuse haste

Truly Yrs
